Super trouper

Super trouper beams are gonna blind me
But I won't feel blue... Like I always do
'Cause somewhere in the crowd there's
G you Em Am D

G I was sick and tired of every-Bm thing
When I Am called you last night from D Glasgow
G All I do is eat and sleep and Bm sing
Wishing Am every show was the D last show

C So imagine I was G glad to hear you're coming
C Suddenly I feel al-G right
C And it's gonna be so G different
when I'm on the stage to-D night

Tonight the G5 Super G4 Trouper G lights are gonna find me
G4 shining G like the D sun
Am Smiling having D fun, feeling like a number G one

Tonight the G5 Super G4 Trouper G beams are gonna blind me
G4 But I G won't feel D blue
Am Like I always D do
'Cause somewhere in the crowd there's G you Em Am D

G Facing twenty thousand of your Bm friends
How can Am anyone be so D lonely
G Part of a success that never Bm ends
Still I'm Am thinking about you D only

C There are moments when I G think I'm going crazy
C But it's gonna be al-G right
C Everything will be so G different
When I'm on the stage to-D night

Tonight the G5 Super G4 Trouper G lights are gonna find me
G4 shining G like the D sun
Am Smiling having D fun, feeling like a number G one

Tonight the G5 Super G4 Trouper G beams are gonna blind me
G4 But I G won't feel D blue
Am Like I always D do
'Cause somewhere in the crowd there's G you

So I'll be C there, when you Em arrive
The sight of Am you will prove to D me I'm still a-G live
And when you G take me D in your C arms
and hold me Am tight E7
I Am know it's gonna mean so much to-D night

Tonight the G5 Super G4 Trouper G lights are gonna find me
G4 shining G like the D sun
Am Smiling having D fun, feeling like a number G one
