The lifting

Intro G Dm F x 4

G Grounded Dm five AM, the G night lite is Dm comforting
But G gravity is Dm holding you G Dm
Once G settled Dm into sleep G you have watched Dm on repeat
The G story of your Dm life across the G ceiling and Dm in review

Am You've said the C air was singing
Am It's calling C you, you don't
be-Am lieve these things you've C never seen Em

Good G morning and Dm how are you
The G weather's fine, the Dm sky is blue
It's G perfect for our Dm seminar G Dm

Now G close your eyes and Dm start to breathe
Al-G low the noise Dm to recede
Al-G low yourself to Dm drift and fly a-G way, but Dm you just stay

Am You've said the C air was singing
Am It's calling C you, you don't
be-Am lieve these things you've C never seen Em never dreamed

C Did you Dm hear these G voices Am calling
C Did you Dm hear these G voices Am calling
C Did you Dm hear these G voices Am calling Em you

Solo G Dm x 4

G Locked into a Dm conference room
We're G only what our Dm minds assume
And G rationale is Dm leaving you G Dm

G This conceit these Dm systems of be-G lief
Your counse-Dm lor agrees
You've G always mark these Dm boundaries
Now you're G free and Dm with relief

Am You've said the C air was singing
Am It's calling C you, you don't
be-Am lieve these things you've C never seen
Em never heard, never dreamed

Am You've said the C air was singing
Am It's calling C you, you don't
be-Am lieve these things you've C never seen Em

Never, G Never, never, never Dm never, never
G Never, never, never Dm never, never
G Never, never, never Dm never, never
G Never, never

G Once you Dm had a dream
Of G oceans, and Dm sunken cities
G Memories of Dm things you've never G known
Dm You have never G known

Outro G Dm x 4 – G
