This happened once be-F fore
When I came to your G door, no re-C ply
They said it wasn't F you
But I saw you peep G through your C window

I saw the Am light Em
I saw the Fmaj7 light Em
I know that you saw Dm7 me
'Cause I looked up to G see your C face

I tried to tele-F phone
They said you were not G home, that's a C lie
'Cause I know where you've F been
I saw you walk G in your C door

I nearly Am died Em
I nearly Fmaj7 died Em
'Cause you walked hand in F hand
With another G man in my C place

If I were C you I'd E realize that A I
Love you Dm more than F any other C guy
And I'll for-C give the E lies that A I
Heard be Dm fore when you F gave me no re-C ply

I tried to tele-F phone
They said you were not G home, that's a C lie
'Cause I know where you've F been
