Ring ring

Intro A

I was A sitting by the phone, I was waiting all a-D lone
Baby D by myself I sit and wait and wonder a-A bout you
It's a A dark and dreary night, seems like nothing's going D right
Won't you D tell me honey, how can I go on here with-A out you?

Yes I'm E down and feeling blue
And I don't know what to do, oh, oh

A Ring, ring, why don't you give me a E call?
E Ring, ring, the happiest sound of them A all
A Ring, ring, I stare at the phone on the E wall
And I Bm sit all alone impatiently
Won't you Bm please understand the need in me
So E ring, ring, why don't you give me a A call?
So E ring, ring, why don't you give me a A call?

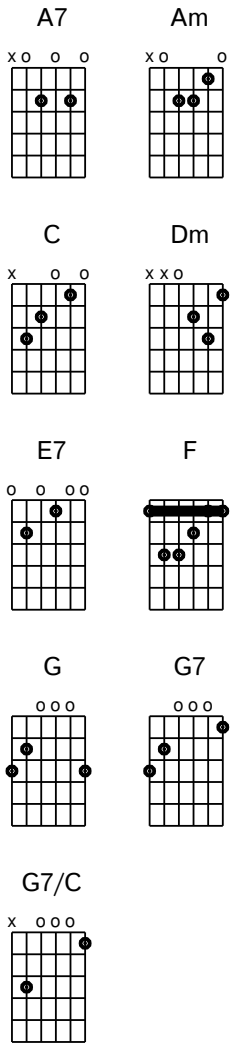

You were A here and now you're gone, hey did I do something D wrong?
I just D can't believe that I could be so badly mis-A taken
Was it A me or was it you? Tell me Aare we really D through?
Won't you D hear me cry and you will know that my heart is A breaking

Please for-E give and then forget
Or maybe darling better yet oh, oh

A Ring, ring, why don't you give me a E call?
E Ring, ring, the happiest sound of them A all
A Ring, ring, I stare at the phone on the E wall
And I Bm sit all alone impatiently
Won't you please understand the need in me

So E ring, ring, why don't you give me a A call?
So E ring, ring, why don't you give me a A call?
Oh, oh, oh E ring, ring, why don't you give me a A call?
So E ring, ring, why don't you give me a A call? ...

Another town, another train

Intro C G7/C x 2

C Day is dawning and G I must go
C You're as-G leep but E7 still i'm Am sure you'll F know
Why it C had to end this Dm way G7

C You and I had a G groovy time
C But I G told you E7 somewhere Am down the F line
You would C have to find me Dm gone
I just A7 have to move a-Dm long G7

Just a-C nother town, a-F nother train
Waiting in the C morning rain
F Lord give my restless soul a little C patience

Just a-C nother town, a-F nother train
Nothing lost and C nothing gained
F Guess I will spend my life in railway C stations
G Guess I will spend my G7 life in railway

stations

C When you wake I G know you'll cry
C And the G words I E7 wrote to Am say good-F bye
They won't C comfort you at Dm all G7

C But in time you will G understand
C That the G dreams we E7 dreamed were Am made of F sand
C For a no-good bum like Dm me
To A7 live is to be Dm free G7

Just a-C nother town, a-F nother train
Waiting in the C morning rain
F Lord give my restless soul a little C patience

G Guess I will spend my G7 life in railway C stations G

I C must have gone to bed around a quarter after G ten
I G need a lot of sleep, and so I like to be in bed by C then
I F must have read a while, the C/E latest one by Marilyn French
or Dm something in that style
It's Dm funny, but I had no sense
of Dm/B living without E aim
The day before you Am came

And F turning out the light, I C/E must have yawned
and cuddled up for Dm yet another night
And Dm rattling on the roof
I must have Dm/B heard the sound of E rain
The day before you Am came

You owe me one

Intro E

A Now there's a shadow passing E over our faces
Doubt forever A in our hearts
A And in a while we'll have to E pick up the traces
We won't find the A missing parts

A Buy me a ticket, I'll go to the Ba-Em hamas D A
A I need a rest from our petty little Em dramas D E
Yes I really do

A-A ha um D hum, E look what you've A done
I'm A missing all the D fun, E baby you A owe me one
A-A ha um D hum, it's E my turn to A run
A a chance to see the D sun, E baby you A owe me one

Inter E E7 x 2

A I wasn't ready for this E kind of intrusion
I was taken A by surprise
A Now both of us are in a E state of confusion
Hesitation A in our hearts

A Something unwanted has entered our e-Em xistence D A
A I think it's better to view it from a Em distance D E
Yes I really do

A-A ha um D hum, E look what you've A done
I'm A missing all the D fun, E baby you A owe me one
A-A ha um D hum, it's E my turn to A run
